

COUNTRY BUNNY BATH & BODY SCENT DESCRIPTIONS

Apricot Freesia: Light fresh apricot with a hint for freesia for a wonderful fruit floral fragrance not too sweet and not too full.

Floral Fresh Melon: A fresh floral honeydew melon fragrance, a favorite of our own staff.

Meadow Breeze: A blend of plumeria flowers a very popular fragrance.

Mulberry: Fresh and sweet mulberries. Very sweet scent for very sweet people.

Vanilla Cream: We worked very hard to find a vanilla so delicious you could eat it!! Very creamy and very full. Every vanilla lover will rank this as a favorite.

Naturally Unscented: There is no fragrance or color added great for people who are sensitive to fragrances.

Mountain Fresh: A great outdoor crisp scent. This has a hint of musk for a favorite of men and women alike.

Warm Spice: Warm and spicy is the best description of warm spice. Cinnamon spice and everything nice!!

"Signature Fragrance"

Oatmeal Milk and Honey: A wonderful old-fashioned fragrance to remind you of gentler days.

"New Spring Fragrance"

Pearberry: Beautiful berry pink. A wonderful berry pear fragrance, a great choice for spring.
