

Meet Me at the HOP!

Special Edition Bunnyvention 2002

I have an apology to make to all of

our representatives about this issue of Bunnvvention 2002. I am unable to bottle all of the weekend into this one newsletter. We laughed, we cried, we whooped and we hollered. We had such fun but more than that we had a family reunion, we celebrated success and we enjoyed wonderful training. It was so much information to cram into our short time together. I know a lot of companies have longer conventions but as for me I hate to leave my kids and I am happy to cram it all in and maximize our time. We can sleep later, right? I am often standing on stage when it hits me where I am. If you had known me just a short couple of years ago you would have thought, "She's a stay at home Mom with 3 kids and

looks like she has a lot of energy." I would have seemed a whole lot like you. So there I was on stage and I looked out at all of your faces. Faces filled with hopes and dreams. Faces filled with excitement. Faces just like mine. We have such a huge opportunity to make a difference. We are all ordinary, we just have to realize we are extra ordinary. We are confident women. We need to carry it with us wherever we go. Our reputation and self respect are so valuable and no one can take them from us but ourselves. Do not kid yourselves; we own it, we have rights to it, and we give it away or we protect it. We are in charge and if you are not, I give you permission right now to take it back!

This is our moment. This is our time. We have such a great year ahead of us all. Whether you

have been with us 3 weeks or from the beginning, you can be a part of it all. Our first Bunnyvention was fun and we were inspired, our second year was just 3 days before Sept 11 and we were crushed. This is really our first year that you will enjoy the full spectrum of benefits for your business. Take time to share if you were there. If you were

not there get with somebunny who was. Plan to attend next year. You are a part of the family, too!

We sold 114 at Bunnyvention and have only 150 more to sell. Please lend these wonderful children a hand. I will personally sign all bunnies on the skirt before they are sent to their new homes. On a personal note we will be leaving for Russia on Sept 5 to bring Annya home. Please keep us and our 3 boys in your prayers.
