Country Bunny Fact Sheet

www.countrybunnybathandbody.com

Country Bunny Bath and Body was started in 1999 by Nancy Bogart, a stay at home mom who began experimenting with recipes in her kitchen for homemade soaps and lotions to sell at craft fairs. They were a hit and as the demand for these wonderful products grew, she started Country Bunny as a direct sales company designed to help women earn income by selling these products while growing their own home-based businesses and helping other women do the same.

Part II- More details...

As a Rep- you only need to have \$300 in sales in 6 months to remain active (yep- that's Six months to sell \$300 in product). But in order to collect the 8% profit on your sponsors you need to have \$300 in sales in the month that you want to earn that profit. So if you want to earn it every month- then you need to sell \$300 every month- but if you can't for whatever reason... Nothing happens- you don't lose your leadership or your downline or your status- you just don't get the Downline profit and you try again next month! It's a no-pressure set up! Nancy wanted to make sure that our reps didn't feel pressured by "upline" to "SELL". Of course she wants everyone to succeed, but your priorities- whatever they may be- family, health, faith, education, vacation-anything... that comes first! You should not have to lose your status just because you were sick or suffered a loss, or moved or had a baby or anything! Life happens- that's why we get 6 months to sell \$300 to keep our account open.

There's a bit more about promoting out to a Managing Representative- you need 12 sponsors- but only 3 need to be personally sponsored by you and you can promote and earn High Achiever bonuses on all new recruits and qualify for 3rd and 4th level commissions on your downline. Beyond that you can promote to Executive Rep and National Rep for additional bonuses- but more about that later... The unique part of this opportunity is that even if all 12 of your sponsors quit- you don't "lose" your title or leadership or anything. You just keep sponsoring!

At this point- there is no Rep discount on products but you do get paid your 15% commission on any product you buy except sales tools (such as bags, catalogs etc.) and these sales do count for contests and incentives. Catalogs are .22 cents each and Invitation Post Cards are .10 cents each and you can buy as many or as few as you want or need (1 or 1000- there are no minimums!) Other sales tools include Sample Jars, Lotion bar Samples, Sponsoring Tapes, Logo T-shirts, pens, calculators and even a Logo Watch! You can order these items through your Bunny Mart and most orders are processed within 24 hours and shipped out via UPS Ground (takes 3-6 days)! The shipping rates are the same for all orders- any order under \$49.95 pays \$4.95 shipping, orders \$50-\$100 pay 10% shipping, orders \$100-\$200 pay 8% shipping and orders over \$200 pay only 5% shipping... Show orders can be shipped to either You OR the Hostess- which ever you prefer!! Individual customers even have the option of having the product shipped directly to them if they are willing to pay the shipping fee! At this time- bags are not provided with the orders (like they are with PL) but you can leave some bags and stickers with the hostess when you close the show once you know how many quests have ordered.

The Hostess plan is very simple- 10% free products on shows over \$100 (for both Spa Shows and book shows.) Free shipping for the hostess' free products and additional gifts on shows over \$200 and \$300 in sales. There are no booking gifts or hostess specials at this time (but again- its a new company and that may change.) You can call home office yourself and ask questions, get problems solved, place orders if your computer is down... anything... And I can personally testify to the help, attention and support they give to their reps...

Part III- THE CHALLENGE

Perhaps you are thinking you don't like the sound of a start up fee...

If we put aside for a moment that you'd get your Quick Start-1 Bonus of \$100 back within 1 week-Remember that you are getting a full service Management team at the home office... They process orders generally within 24 hours and provide Corporate support services and excellent customer service for you and your customers. They do provide you with your own online webstore that accepts credit cards and ships product directly to customers- a major convenience (that's not free). They keep track of all your activity and downline reports... Its like being a store owner and having a store manager to keep track of the paperwork and details... I think the start up fee is sort of like putting down a deposit on the start-up of a business- and when you succeed at your business by meeting the \$300 in sales- you get your "deposit" back... but if you don't - it recovers the cost to the company for sending you the kit and setting you up with the online Bunny Mart...

Regarding the optional yearly internet service renewal fee (\$144- a tax deductible business expense)- this is an optional service after your first year! It is not mandatory to keep your online access in order to be an active rep! But after your first year you can evaluate and decide for yourself whether your online access is worth the fee. If your online webstore is not generating the kind of business you expected (or you don't have a computer!) you do not have to renew. You can always mail in or even call in orders on the toll free line- and your customers can order by phone as well with your name or Rep ID#. However, you receive a wealth of information and training through your "Bunny Mart" access, including newsletters, training, activity and downline reports plus the convenience of online ordering. Consider it like pre-paying just \$12 a month for your website. And this is it- the whole plan for Country Bunny Success! It really is a very simple business!

Here's a CHALLENGE... Test The Waters!

Perhaps you are not sure if you want to invest in this business opportunity... If you wanted to "experiment" to see what kind of response and interest you'd get from people about Country Bunny, and you'd like to just get test the waters and see if this is a product people will like and buy, without "risking" the start-up fee - then I invite you to host a Book Show!!

If you decide to sign up on my team, I will be happy to provide you with catalogs and samples to pass around to start collecting orders... and you could just "try it out"- Set yourself a goal of getting the \$300 needed to earn the Quick Start 1 Bonus- and if you do- then I will give the show back to you! (Like turning a show into the Starter Show!) You will get Your \$100 Quick Start 1 Bonus, plus your 15% commission on the show, which should be at least \$45, and you'll get the 10% hostess credit, which will be at least \$30 in free product, in addition to the product samples that come in your kit (valued at over \$75), plus your online webstore and all the Management Services provided by Country Bunny! Welcome to the Team!

If you decide you don't want to become a Rep, then as a Hostess you'll get 10% in wonderful free products for yourself from your book show sales- (with at least \$100 in orders) and I'll have the products shipped to you! I hope I've gained a new Hostess! (I need Hostesses on my Team too!)
